**Notas de cata:****Les premières grives, sheer pleasure**

In Gasuña, the onset of winter heralds the arrival of the first thrushes ('premières grives'), eager for their share of the season's pickings. Harvested in late autumn, mature grapes packed with sweetness and pleasure produce an elegant vino, with fine typicity. Great fullness on the palate, with delicious tropical flavours, sustained by freshness. Balanced sweetness leads to fresh grapes on the finish - an instant delight.

**Conservación:**

Should be stored upright, in a cool dark place. Will keep for 1 to 2 years.
