## Wine deal: Tariquet "Classic" Ugni Blanc-Colombard

July 3, 2012 - 10:05 AM

I am having a summer fling that makes me feel like a giddy teenager. So is my wife.

Blessedly, the object of our ardor is the same entity: the white wines of Tariquet, which is having a festive season itself in celebrating its 100th birthday this year.

The chardonnay, sauvignon and chenin-chardonnay blend all boast lively fruit and minerally goodness, but our favorite is the brisk, juicy, absurdly refreshing **Tariquet "Classic" Ugni Blanc-Colombard** (\$11).

An al fresco delight, it also goes well with fruity salads, sushi and chicken or cheese enchiladas.

Available at Minnehaha Lake, Zipp's, Ken & Norm's, Thomas, Northfield Liquors and others.
