Domaine du Tariquet 2016 Classic, Cotes de Gascogne

This is the perfect wine for summer with its refreshing character and intense aromas of citrus and tropical fruit notes with floral hints. The winery's production methods are all geared toward preserving this refreshing quality and fruit notes. The sustainable growing methods, along with being Vegan-friendly, are added bonuses to choosing this wine.

Pair with: A great choice to pair with seafood off the grill, think Shrimp skewers or other grill-worthy white fish.

Cost: \$10
