THE MAJESTICS OF ARMAGNAC - PART I

JULIE ALBIN

From the land of musketeers comes one of the world's most marvelous spirits. Armagnac is produced by the incredibly talented distillers of Gascony and is unique in its grapes, production method, and of course, character of the land from which it comes. Here are some of the greats of the region!

Château du Tariquet - Armagnac Blanche

Price: \$45

A simply exquisite example of just how good Armagnac Blanche can be. This 100% Folle Blanche unveils succulent notes of pear, quince and iris. Incredibly crisp while balanced out by a soft texture and rich almond notes on the finish. -JA
